A Man Who Has "Made Good"

A. McSweeney, County Tax Collector

SUPERVISORS HOLD ADJOURNED MEETING

The Board of Supervisors met in
adjourned session Monday, March
30th, there being present Wm. H.
Brown, presiding, Jas. T. Casey,
John MacBain, Jos. M. Francis and
D. E. Blackburn.

At MacBain's request the Survey-
or was called for a conference with
J. A. Folger regarding the right of
way for the new road through his
property at Woodside.

Mr. Folger presented a map
showing the different surveys that
had been made and consented to a
certain route which was acceptable
to the board. He asked that the
road be fenced in places and that
the culverts be installed by the
county.

This request met with the board's

approval and on motion of Mac-

Bain, a vote of thanks was ex-

tended to Mr. Folger, his attorney

and surveyor and County Survey-

or Neuman for the satisfactory

settlement of the matter.

A protest, signed by Wm. H.

Crocker and others of the Second

township, against the purchase of

State Highway bonds to the amount

of \$100,000, was read by the clerk.

MacBain stated that he made the

motion at the last meeting author-

izing the purchase of bonds by the

county, believing that more

money would be required to com-

plete the highway within the county.

He still believed that the

board's position was correct. Never-

theless he would move to rescind,

and his motion was seconded by

Blackburn and carried.

The chairman stated that he had

been informed by E. W. Blaney of

the State Highway Commission that

more funds would be needed to

construct the highway from Beres-

ford to Redwood City.

A communication was received

from Alfred Grainger, night watch-

man of the courthouse, asking

that he be given an increase of

salary as was given his fellow em-

ployes.

No action was taken on the com-

munication.

A communication was received

from Wm. B. Lawrence of the

Spring Valley Water Company, of-

fering the board free of charge, 2-

900 cubic yards of rock from the

Byrnes' stone quarry. Estimated

at 50 cents per yard at the

quarry, the value of the company's

donation is \$1450.

The donation which was secured

through Chairman Brown's appli-

cation, was received with thanks.

A communication was received

from the Federal Construction

Company, asking to be relieved

of its contract to construct the

Middlefield road. Action was post-

poned until afternoon.

A communication was received

from a committee of San Francisco

gentlemen styling themselves the

"California 1915 Executive Com-

mittee," asking a donation of

\$250 to assist in paying the cost of

Probably no office within the gift of
the people requires for its satisfactory
conduct a greater diversity of accom-
plishments than does that of county tax
collector. Not only must that official
be a man of rare business acumen, but
he must be possessed of an ability to
readily adapt himself to varied condi-
tions of human nature.

In the conduct of the business of
the office he must not only be system-
atic and accurate, but he must be pos-
sessed of an ability to transact business
rapidly and a resourcefulness fitted to
cope with every emergency. Business
must be disposed of quickly, yet at the
same time there must be no possibility
of error if the interests of the public
and the rights of the individual are to
be conserved.

With the average payer of taxes
the duty is regarded as anything but a
pleasant one. In the vast majority of
cases, unfortunately, the owner of prop-
erty approaches the desk of the official

designated to receive his share of the
contribution to the support of our pub-
lic institutions with something of a
"grouch," a feeling that he is in some
way being imposed upon, that he is be-
ing called upon to do more than his
share. That there may be no friction,
the official must be possessed of an
even disposition and even more than an
usually genial nature, quick to compre-
hend the varied whims of humanity and
ready to adjust himself to all conditions.

In the present selection of this im-
portant official, San Mateo county has
been singularly fortunate. To an un-
usually full extent does Mr. McSweeney
possess these varied qualifications, both
as to his business ability and personal
endowments. During his term of office
the business of this important branch
of the public service has been conducted
with the utmost accuracy and dispatch.

With the splendid system which he has
introduced into the conduct of the office
there has been neither delay nor error.

When the time for the payment of taxes
came, every detail has been in readiness
and the collections have been made
without error or delay. Detailed in-
formation has always been readily at
hand and every desired explanation fur-
nished with the utmost courtesy.

Not only this, but Mr. McSweeney
has ever shown a disposition to do his
utmost to accommodate the public, re-
gardless of inconvenience to himself or
his office force. A man of unusually
genial nature, he is ever approach-
able and considerate of the feelings and
conveniences of others.

That these thorough qualifications on
the part of Mr. McSweeney are appre-
ciated by the public is evidenced by the
fact that practically no one can be found
to oppose his return to the office. Cer-
tainly he will have no opposition within
his own party, and from present indica-
tions his re-election will be, as it should,
practically unanimous.

Local Sports Get Limit.

A party of fishermen made up of C. D. Haywood, A. McSweeney, P. P. Chamberlain, A. D. Walsh, Con. Cullen, and Fred Chilcott who sought the San Gregorio lagoon on the first of her month in search of trout, returned yesterday with big strings of fish. The sport was splendid at the lagoon, the trout taking the hook in good fashion. Mr. McSweeney hooked one weighing more than ten pounds, but through his anxiety to land the monster he did not give the denizen of the deep sufficient line and it snapped just as the fish was brought to the shore. The other members of the party caught the limit each day, the trout weighing from one to five pounds.

More Big Specials.

Manager Nathorst announces some unusually good programs for the Bell theater for the coming week. Saturday and Sunday will as usual be extra special popular price day, when in addition to five reels of good picture plays, one of which will be a Keystone comedy, he will present a splendid specialty act of acrobats and athletic features. There will be a complete change of pictures and acts for each day, and the prices will be but 5 and 10 cents. For Wednesday evening only one of the best attractions ever shown in this city has been secured. On that evening only will be presented the great four-reel portrayal, the "Star of Bethlehem," as the feature number of a big program.

Mrs. L. D. Rathbone is here from Berkeley spending a week with her parents, Mr. and Mrs. John Christ.

In company with his brother Arthur, County Surveyor Jas. V. Neuman whipped the creeks back at Woodside Wednesday and caught the limit of fine trout.

Captain James M. Dow, an uncle of Mrs. Arthur Swift of this city, passed away in Berkeley on Monday. The deceased was a lifelong seafaring man and for many years was in charge of the steamers of the Pacific Mail Company. He is survived by his wife and two sons and a daughter.

On Sunday the Boys' Club baseball team, will go to Menlo Park to play the first regular game of the season. Our boys are reported to be faster than ever, while Menlo will have several new players in their lineup and they are determined to wipe out last year's defeat. The trip will be made in Dearborn's auto truck and there are still a few seats left which can be had by applying to Ray Griffin.

The Clerk shall cause this Resolution of Intention to be published twice in the "Times-Gazette," a weekly newspaper, published, printed and circulated in said Town of Redwood City and hereby designated by said Board of Trustees for that purpose.

The Superintendent of Streets of said Town of Redwood City shall immediately cause to be conspicuously posted along the line of said contemplated work and improvement and in front of all the property liable to be assessed therefor, notices of the passage of this Resolution of Intention in the manner and form required by law.

It is hereby further resolved and determined that serial bonds bearing interest at the rate of 7 per cent per annum and extending over the period of 5 years from the second day of January next succeeding their date shall be issued to represent assessments of twenty-five (25) dollars or over for the costs and expenses of said work and improvements and in the manner and form provided by law.

All the herein proposed work shall be done in pursuance of and in conformity with an act of the Legislature of the State of California, entitled "An Act to amend and to amend the act of the Legislature of the State of California, approved April 7th, 1911, and Acts amendatory thereof."

I hereby certify that the foregoing Resolution of Intention No. 11 was duly and regularly introduced and adopted by the Board of Trustees of the Town of Redwood City at a regular adjourned meeting of said Board held on the 28th day of March, 1914, by the following vote:

Ayes and in favor of the passage of said Resolution of Intention No. 11: Trustees: Deaneau, Hahir, Hynding, Sampson, Merrill, Ross and the passage of said Resolution of Intention No. 11: Trustees: None.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

SOUTH SAN FRANCISCO.

A movement has been started in this city to secure a fund to pay the expense of erecting an El Camino Real bell at some suitable location on the Mission road within the city limits. Mrs. W. J. Martin has been named as treasurer of the fund and all contributions can be paid to her.

Fire recently caused a considerable loss to the property of E. Ghilardo & Co. The fire started at an early hour in the morning in a barn on the property and despite the prompt response of the local fire department the barn, together with two horses, was destroyed.

A. P. Scott, for the past six years secretary and manager of the South City Lumber Company, has disposed of his interests in that concern and announced that he will retire permanently from the lumber business. He is succeeded by W. H. Denning. Mr. Scott will continue his residence in this city and will devote his attention to other lines of business.

SAN BRUNO NOTES.

Frank Custodio, who has for some time past been a resident of San Bruno, has removed with his family to Oakland.

J. Lawrence, and family, for some time past residents of Belle Air, have removed to Belmont, where they will make their home.

The local lodge of Yeomen will give a "big barn dance" at Green's hall on April 18th.

SAN MATEO AND BURLINGAME.

M. Sheehan, the popular constable of this township for many years, is receiving encouragement from every portion of the county in his candidacy for sheriff. His friends here predict that he will carry San Mateo by over 500 votes. Mr. Sheehan deserves a promotion for the efficient service he has rendered the people of this township. The people here will work with enthusiasm for his election. We dislike to lose Mr. Sheehan but what will be our loss will be Redwood City's gain.

Mrs. Whitehead Reid arrived Thursday from New York, accompanied by Miss Sara Cunningham and Miss Lois Cunningham. They made the transcontinental journey in the former's private car.

The teachers and pupils of the first avenue school in San Mateo have begun rehearsing for their entertainment to be given on May 1. The grammar intermediate and primary departments will present interesting numbers.

Special letters of administration on the estate of James O. Long, Olympic Club member who ended his life in Burlingame Tuesday, have been applied for in San Francisco by J. T. Long, who has been nominated by the widow of the deceased. The letters are sought so that the April rent from certain San Francisco properties owned by Long may be collected.

CLEAN UP NEXT WEEK.

In compliance with the proclamation issued by Governor Johnson, the civic bodies of the town, under the guidance of the town trustees, have set apart their week beginning Monday April 6th, until Saturday, April 11th, as clean-up week in Redwood City. Redwood City has everything in her favor, climate, enterprise, easy access to San Francisco and opportunities are coming up every day to make our home town a good place in which to live. To be attractive to the newcomer we must present a "clean face," so it behooves every public spirited citizen to keep in cleaning and keeping clean their yards and sidewalks. The town is making it very easy for everyone to be clean.

On Monday and Tuesday the committee in charge of "Clean-Up Week," asks that all back yards be cleaned of cans and rubbish.

Wednesday and Thursday, front yards and sidewalks.

Friday clean up the vacant lot adjoining.

Saturday mend the shed and fence and whitewash same.

If it is not convenient to do as per schedule, clean up anyway.

The town will send out free of charge, garbage wagons, beginning Monday, April 6, and every day until Saturday, April 11th. All you have to do is to clean up and put your garbage and rubbish out on the sidewalk and the town will look out for it.

Whitewash will be provided free on Saturday at the corporation yard, to all who need it. The Boy Scouts have offered their services in delivering the dodgers telling of "Clean-Up Week." They have been asked to request permission to inspect the back yards and report to their head officer so that the committee may have some idea of how many wagons will be needed.

J. C. Dickey, street superintendent and J. N. Winter, of the Fire Department will have competent men in charge of the work. The civic bodies aiding the town board, and their representatives are: Town trustees, Mr. Deleau.

Superintendent of Streets, J. C. Dickey.

Fire Department, J. N. Winter.

San Mateo County Center, Mrs. Geo. Merrill.

Boy Park Improvement Club, C. G. Redwood Highlands and Welles-Landscraft.

Board of Trade, R. F. Chilcott.

Park Commission, Mrs. A. S. Kelso, secretary.

Woman's Club, Mrs. A. M. Porter, chairman.

COUNCIL APPROVES PLANS FOR BIG CLEAN-UP WEEK

At the meeting of the city council Monday evening details of the general plan of work for "clean-up day," which is to be observed during the week from Monday, April 6th, to Saturday, April 11th, were completed and approved by the trustees, all of whom were present at the session and expressed hearty sympathy with the work. The plans were presented to the council by Trustee Deleau, for the street committee, who stated that in the preparations of the details representatives of all the civic bodies of the city had been consulted and had promised their full co-operation. While, however, it is assured that representatives of all these organizations will do their utmost, it is understood that if the work is to be the success which it should be, every occupant of a house in the city must be ready to join in the effort for a cleaner, more attractive and healthful city. That every one may be informed as to the details of the plan for the week, the council ordered the printing of an abundant supply of circulars outlining the work to be done and the method of procedure and copies of this circular will be placed in the hands of every resident. It is evidently the desire of the council that the work should be done thoroughly and to this end it has been arranged so that residents will be put to practically no personal expense. When the accumulated refuse of the yard is gathered up and deposited in the streets the responsibility of the individual will end, the city bearing the entire cost of the removal and disposition of the accumulation. In the interest of a "city beautiful" it is also desired that all sheds and back fences should be treated to a coat of good old-fashioned whitewash—not the political kind—and to aid to the utmost in this part of the campaign, all who desire it will be provided free of cost with the necessary material for this work.

Another evidence of the march of improvement was shown in the presentation by the Redwood City Water Company of a request for permission to lay a new 10-inch cast iron water main in Chestnut street, from the pumping station of the company to Stambaugh street, where it will connect with the distributing system of the municipal water plant. The request of the water company was granted, the understanding being that as soon as the new pipe is laid the use of the present antiquated wooden pipe was to be permanently abandoned. The council was informed that the new main would be informed as soon as possible, it being the design of the company to provide for the best possible supply of water to the city and to avoid possible injury in the future to permanently improved streets.

Resolutions of intention were adopted ordering the work of improvement of Whipple avenue by the construction of curbs and sidewalks and the laying of sewers and pavement. The improvement will extend from the County road to Woodstock place.

A very considerable time of the session, which was an unusual long one, was devoted to a further consideration of the question of the extent of the street improvements in the district west of the County road, which has already occupied the greater portion of three meetings of the council. While the matter is not yet finally disposed of, good progress was made and it now seems probable that at the regular meeting next Monday evening a final conclusion will be reached and steps taken which will definitely and permanently fix the limits of the district. As was the case at the last meeting, some strenuous objections were made to various portions of the work, almost entirely by non-resident owners of property. While a few of these appeals were successful to the extent of securing modification which would omit part of the work, the majority of objections were disregarded by the trustees, whose action made it evident that it was the general sense of the council that the needs of local residents should be given first consideration. In this stand Chairman Merrill and Trustee Deleau were especially emphatic, each strongly urging that the spirit of modern progress demands that public streets are for the benefit of the public and that where the convenience of local residents so demanded the work should be insisted upon.

The Clark & Henery Construction Company has a large force at work on the county highway through San Mateo. On account of weather conditions this work has been delayed, but is now progressing nicely.

Eastern Stars Make Merry.

Sequoia Chapter, Order of Eastern Star, had a delightful time at the Woman's club house Wednesday night. Forty members all clad in Yama-Yama suits were present and to the tune of a well played accordion, danced and enjoyed themselves for four solid hours. Chas. Jacobus was floor manager and Joseph was tangoes and hesitation waltzes all of the old-time dances were danced and enjoyed. Everyone was in mask until ten o'clock, but everyone knew each other, and the enjoyment was unrestrained. At 12 o'clock tables were spread and coffee, frankfurters and buns were served. Stories and toasts were then given which added much to the occasion. The committee in charge did its work well but to the worthy patron, J. E. Emory, on Saturday night, the credit is due for as fine an evening as has ever been enjoyed in Redwood City.

PASSING OF A PIONEER MERCHANT

John W. Glennan, Prominent in Local Business and Fraternal Life, Is Summoned to His Eternal Reward

Surrounded by his family and borne by loving friends, all that was mortal of John W. Glennan was laid to rest on the hillside at Cypress Lawn yesterday. By the side of his two boys, whom he saw grow into young manhood and in the bud of useful careers he saw taken from him, he was placed in the keeping of old mother earth. He was not a real old man, only 72 years of age, and by many that is not counted as so very old, but he had crowded in his life many experiences, happy and sad, and he had lived such a life that when the summons came he was ready and willing to go. John Glennan was part of the history of Redwood City, for here he lived the greater part of his days and the stories he could tell of the early times were well worth hearing. He was as well known to the boys of Redwood as was the Village Blacksmith to the boys of another country about whom the poet wrote. And he gave many a boy a dose of black strap or covered his ball for him in the time when some of us were boys. He was a happy dispositioned man and would do a good turn for anyone he could. He served his town in many capacities and gave his time to the schools by serving as trustee for many years. He was an enthusiastic lodge man and belonged to a number of fraternal organizations. He was always in his place and served as financial secretary of the Odd Fellows and Tyler of the Masons for many years. He was a good husband and father and had the satisfaction of growing old with a faithful wife and of seeing his children grow into good, useful citizens. Seventy-two is a good age to attain and have the good will and esteem of all when one is called to go. John W. Glennan will be missed for he was a good man.

Odd Fellows' hall was crowded yesterday morning with friends and relatives of the deceased to pay their last respect to the old pioneer who had resided so long in Redwood City and whose life was so rich in good deeds. The funeral was in the auspices of Bay View Lodge, No. 109, I. O. O. F. H. W. Lampkin, the noble grand, in an impressive manner read the beautiful ritual service and was assisted by the chaplain. After the softly singing of hymns, Rev. Stevens, rector of the Congregational church, of which the deceased was a member for forty-six years, delivered a fitting eulogy in which he portrayed the beautiful life of Mr. Glennan. The reverend gentleman consoled the bereaved family in words of eloquence, assuring them that they were only laying the mortal body away for a brief period and that they would be reunited with him in that other world.

The following pal bearers took charge of the remains and conveyed them to the 12:29 train. The interment was in the family plot at Cypress Lawn cemetery: L. P. Behrens, P. P. Chamberlain, E. O. Rhodes, John Christ, John Curran, and W. H. Kne.

Charles Curran will start for his ranch in Nevada next week. His claim adjoins those of Henry Werder and Henry Kreis. He expects to do a great deal of redemption work before he returns to Redwood City.

Ben Zimmerman is actively engaged at the home of Mrs. James Crowe and is changing the appearance of the front of her house. The veranda has been torn away and a sleeping porch will take its place.

C. S. Thompson of this city was on yesterday awarded a contract to erect for Louis Pescaro, a five-room bungalow on Arguello street. The stipulated price of the contract was \$2500.

Chase Littlejohn was re-elected trustee of the grammar school at the election held yesterday at John D. Gish was chosen trustee of the high school. Both gentlemen had no opposition.

Mrs. J. Boaz Hughes of Oroville has been appointed lecturer for the New State Library School of Art. Mrs. Hughes, who is well known here is an interesting talker and her appointment augurs well for the success of the new school.

G. F. Gray left Thursday for Nevada to visit his old friend, Mr. List, who is engaged in the mining business for a few days. From there Mr. Gray will proceed to Richmond, Virginia, to close up a big timber land deal with the government.

C. R. Rankin has resigned his position as chief draftsman in the county surveyor's office to accept a more lucrative place with the Hetch Hetchy. He has been connected with the office for some time and during his incumbency gave general satisfaction.

The building of the new county highway through Redwood City is nearing completion. It is expected it will be open for traffic not later than May 1st. Raich Improvement Company has made splendid progress with the work notwithstanding the delay occasioned by the inclement weather.

W. C. Graves has awarded a contract to Frank Zimmermann to erect two large warehouses, a garage, office and wharves on Mr. Graves water front property. Work will begin at once. Many thousands of dollars will be expended in the construction of those buildings. A Hess, who has the contract to do the excavating, began making the dirt fly this week.

Sheriff J. H. Mansfield received notice Wednesday of the death of his oldest brother, George A. Mansfield at Waltham, Mass., on March 24. Mr. Mansfield was superintendent of one of the departments in the Waltham Watch factory and had held the position since 1860. He was 70 years of age, married, and leaves a grown family to mourn his death.

As an evidence of how rapidly the business of the county is growing, it might be stated that the earnings of the county clerk's office for the months of January, February and March of last year were \$286.83, while the report of the clerk just submitted to the supervisors shows the amount earned for those months this year to be \$1618.55, almost double that of last year.

On Tuesday afternoon, Miss Alice Holden, the competent chief deputy in the County Auditor's office for the past five years, handed her resignation to Auditor W. H. Underhill and it was accepted. Miss Holden was very popular and was held in high esteem by all the officials of the courthouse. Mr. Underhill has appointed A. L. Lowe, ex-deputy county clerk, to fill the vacancy. Mr. Lowe is a competent clerk, familiar with his new duties, is affable and a hard worker.

Reports from the Huling sanitarium indicate that J. J. Bullock, who had his left arm amputated below the forearm last Saturday, is rapidly recovering. From the operation and loss of blood he is still weak. The attending physicians, Drs. Ross and Chapin, will not permit him as any excitement would cause him to set back. Mr. Bullock while out hunting on the Robert Chatman ranch last Saturday, dropped a gun from his horse. It was discharged, the contents of both barrels striking his left arm. He was immediately taken to the sanitarium where the limb was amputated.

BOARD OF SUPERVISORS.

Continued from First Page
Benson said that the surveyor must have made an error in totaling the several items as he had made the amount \$12,457, at which figure he was satisfied to take the contract. The price, however, was in excess of the surveyor's estimate, which is \$10,101.53.

Mr. Neuman explained that after the first and third sections were completed there would be a balance of \$25,000 on hand to complete the second section, which would be sufficient, and the cost of the whole road would then be within his estimate.

The bid of Benson and Hess was accepted on motion of MacBain, seconded by Blackburn.

The following bids were received for constructing section 1 of the Belmont road:

Guadalupe Dev. Co. to Mary R. Smith, Lot 32, blk. 30, City of Visitation.
W. G. McDonald and wife to W. C. Waters, Lots 28, 29, blk. 48, Easton Addn, Burlingame 4.

Mary K. Doyle to Mabel L. Loyale, Lot 17, blk. 11, Easton Addn, Burlingame.

Belmont road, extending from the Camino Real to Reid's school.

Raisch Improvement Company, \$15,881.25.
Clark & Henery, \$16,886.25.

Both bids being far in excess of the Surveyor's estimate, were laid over until the next meeting.

The following bids were received for constructing the road from Redwood City to the Folger place at Woodside:

Wrightson, Anderson & Yost, specifications B, \$100,714.31.
Raisch Improvement Company, specifications B, \$104,962.92.

Clark & Henery, specifications A, \$89,882.80; specifications B, \$95,697.70.

City Street Improvement Company, specifications A, \$93,969.48; specifications B, \$100,224.20.

All of the bids were far in excess of the Surveyor's estimate and it was ordered, on motion of MacBain, seconded by Casey that they be rejected.

MacBain secured an order authorizing him to employ the surveyor to make a survey of the road with a view to reducing its cost.

The following bids were received for constructing a portion of the Selby lane:

Daniel Flynn, \$3850.
C. C. Benson, \$4660.
Blanchard-Brown Company, \$5590.
Roadmate Supply Co., \$5095.

On motion of MacBain, seconded by Blackburn, the contract was awarded to Daniel Flynn, he being the lowest bidder.

A report was received from Surveyor J. V. Neuman, Henry Guilford and Alvin S. Hatch, the viewers appointed to view and lay out the road from Colma to San Pedro, in the First and Fourth districts, in which the damage to the owners and renters along the right of way is assessed.

A resolution was adopted on motion of Blackburn, seconded by Francis, accepting the report and fixing April 20th as the date on which the nonconsenting owners will be allowed to present their objections.

District Attorney Swart stated that the Spring Valley Water Company and the Morgan Oyster Company had raised a question as to ownership of the Ravenswood road which had been obstructed by them.

He recommended that the sheriff be instructed to remove the obstructions ten days from date, which would give the companies time in which to take such action as they saw fit. It was so ordered on motion of MacBain, seconded by Casey.

On motion of Blackburn, seconded by MacBain, Francis was authorized to construct a bridge across Purissima creek in his district, the cost of which will not exceed \$300.

Surveyor Neuman presented plans and specifications for three concrete culverts near the Homestead, in the second road district, which were adopted on motion of MacBain, seconded by Blackburn, and the clerk directed to advertise for bids for their construction.

Both MacBain and Francis were authorized to employ the Surveyor to examine rock deposits in their respective districts with a view to securing material for road building.

MacBain stated that some disagreement that had existed between the Federal Construction Company and the Surveyor regarding the building of the Middlefield road had been settled, and on his motion, seconded by Blackburn, the request of the Improvement Company to be re-

leased from its contract was denied.

Neuman presented plans and specifications for the county road from Montara to Halfmoon Bay, a distance of 50,330 feet, which were adopted on motion of Francis, seconded by Casey, bids to be received April 20th.

On motion of MacBain, seconded by Casey, the Surveyor was instructed to pave 1800 feet of roadway between Burlingame and San Mateo at a cost not to exceed \$200, same to be paid for out of the General fund.

ASSESSOR'S INSTRUCTIONS

To Owners of Real Estate and Personal Property.

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns over his books to the Board of Supervisors on the first Monday in July. The Board then acts as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.

C. D. HAYWARD,
Assessor San Mateo County.
